DESIGN EXPO

October 7 + 8, 2026

Palais des congrès de Montréal

11th EDITION

STOCK UP ON INNOVATIVE IDEAS!

It is our pleasure to welcome you to the **11th edition of Expo Design in Montréal!**

Over the years, Expo Design has become the must-attend event for industry professionals looking to discover new ideas, learn from experts, exchange insights, and build meaningful business relationships.

This year, as always, we've worked to create an event that inspires, connects, and leads to discovery. With more than **105,000 square feet of exhibition space, over 100 exhibitors, and more than 3,500 professional expected to visit**, Expo Design 2026 offers exclusive access to the latest industry trends, innovative solutions, and valuable content designed to inspire your projects and help grow your business.

Throughout the show, you'll meet leading manufacturers, distributors and other key players from across architecture and design. On the exhibition floor, you'll also discover a diverse range of furniture, lighting, materials, products and digital technologies, along with new solutions for projects and businesses.

Additionally, INT.DESIGN, through its alliance with Expo Design, will offer a series of complimentary educational conferences. These expert panels, technical training sessions and networking activities will provide further opportunities to learn, exchange ideas and connect with industry peers.

The 2026 edition will also feature a special **Gala of the 19th GRANDS PRIX DU DESIGN** on the evening of October 8, just steps away from the show. The gala will celebrate the winners in Interior Design, Product Design, and Communication & Brand Design, providing the perfect opportunity to extend the Expo Design experience and celebrate excellence within the design community.

Beyond the exhibits, educational programming and associated events, Expo Design is, above all, a place where meaningful connections are made. Admission to both the exhibition and conference program is complimentary for industry professionals, and every aspect of the event has been designed to help you make the most of these two days.

We extend our sincere thanks to our partners—both longstanding and new—whose invaluable support continues to help Expo Design grow year after year and enrich the experience for our entire community.

We wish you an inspiring, engaging, and rewarding event filled with great conversations and new connections
